Mastering Change

An online taster session

24th April 2024, 13:00 – 15:00 CET

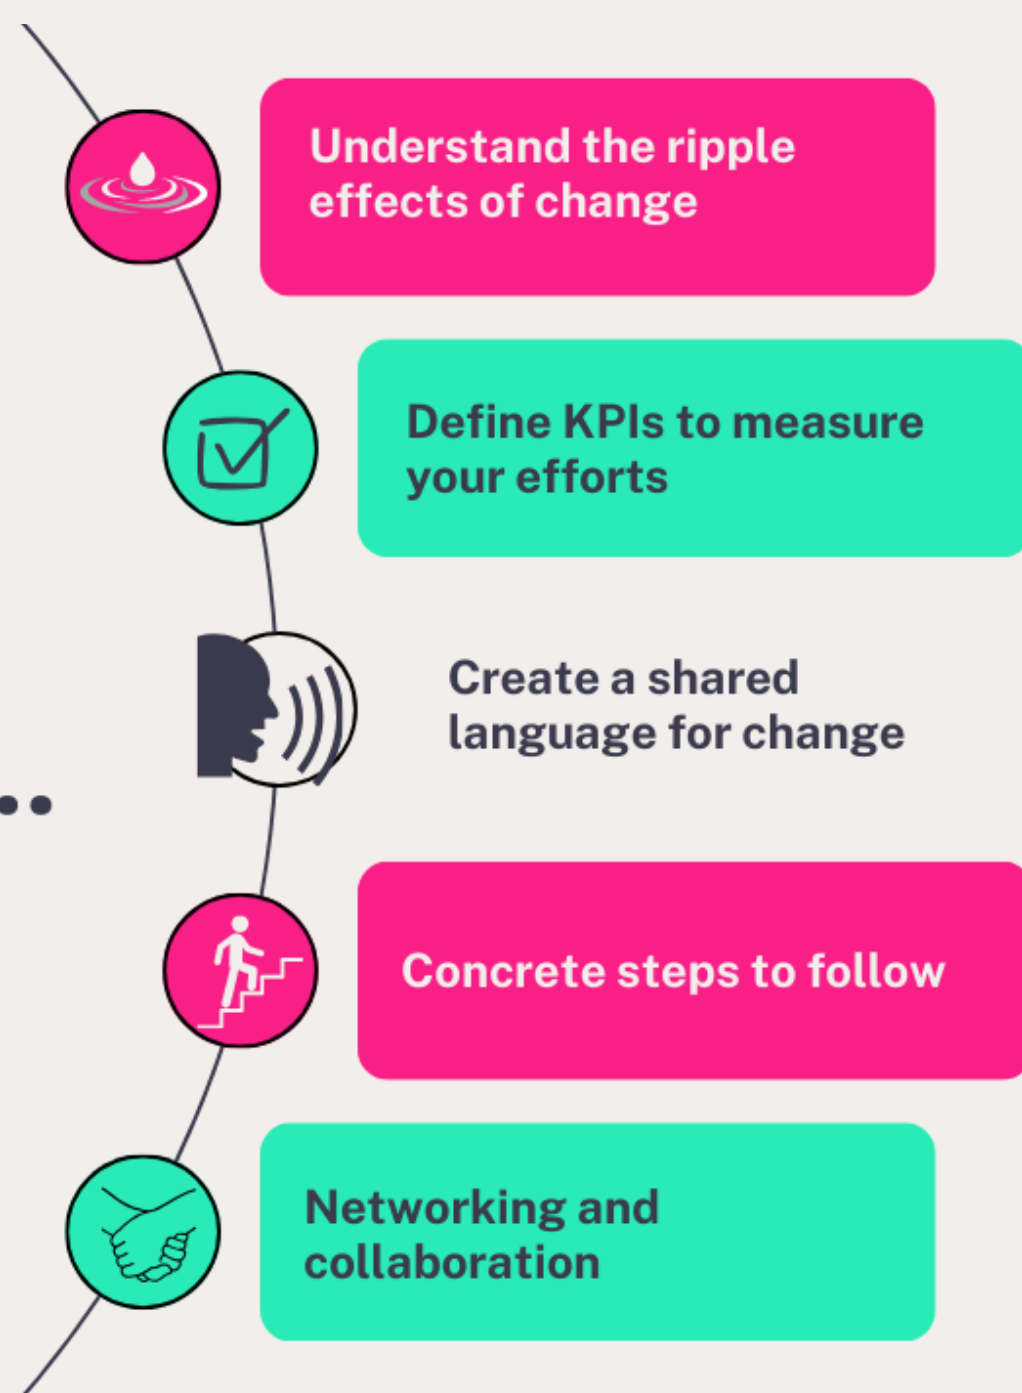

Join Ms. Fiona Higginson, Director at CLP, for an empowering 2-hour journey of strategic transformation at our exclusive Change Management online taster session,

Who is it for?

All managers and leaders who are part of a change project or major transformation. Managers and leaders who need to understand and anticipate the hidden dynamics, processes, resistance levels, and decisions of change management.

Master change with confidence and positively impact stakeholders and your organisation. Join our workshop to gain insights into navigating strategic changes and overcoming obstacles.

Workshop highlights...

“The session proved to be highly fruitful, offering valuable insights into the dynamics of change and serving as an excellent introduction to potent change interventions. Thank you very much for delivering such an enlightening experience; your efforts are genuinely appreciated.”
